N/A Not available.

All time switch motors are available in voltage and cycle shown in 2nd column. For example: To order new style T100 Series Motor in 60Hz 125V, order WG1570-10D.

NOTE: Carryover only sold as a complete unit with motor. \*\*These voltages and corresponding motor numbers apply to all model numbers.

§ Available while supplies last.

Internal revisions may result in the motor you receive having a different dash number (WG430-3 vs. WG430-10) than the motor ordered. This revision has no effect on the motor function.
